RE: Notice for Elder and Youth Awards

F#: 4 A 7.4

In preparation for the 24th ATG Annual General Assembly being hosted by Smith's Landing, Akaitcho Territory Government is requesting names for the Elder and Youth Awards.

It would be beneficial to have this discussed at your next available First Nation meeting. A formal motion from a band council meeting would be required. Once a decision has been made, notice should be sent to the ATG office as soon as possible so that the award plaques can be ordered for both the elder and youth awards.

Criteria for Youth Award:

Culture & Heritage

Volunteer Services

Academic Achievement

Athletic Achievement

Personal Achievement

Requirements:

Between ages of 13-30

Treaty 8 Registered Member

*Essay ***

Reference Letter

A reminder that a picture and biography will have to be sent along with your motion for both the elder and youth.

Thank you.
